Construction (no room count) National	\$317.50

Properties with 51 Rooms or more are automatically enrolled in membership with the American Hotel & Lodging Association. Membership contributions are not tax deductible. Dues paid to AkH&LA, which are allocable to lobbying costs are non-deductible for federal income tax purposes. AkH&LA has calculated that 50% of the dues are allocable to lobbying costs and are therefore non-deductible. However the balance of your dues may be considered an ordinary and necessary expense.
